Important Questions	Answers	Why This Matters
What is the overall deductible?	Medical & Prescription Drug Deductible: In and Out-of-Network Combined: \$1,600 member/\$3,200 family Benefits are administered on a calendar year basis.	Generally you must pay all the costs up to the deductible amount before this plan begins to pay. Are there services covered before you meet your deductible?	Yes: In-Network preventive care , routine eye exams, are covered before you meet your deductibles .	This plan covers some items and services even if you haven't yet met the deductible amount. But, a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services
What is the out-of-pocket limit for this plan?	In and Out-of-Network Combined: \$5,000 member/\$10,000 family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limit until the overall family out-of-pocket limit has been met.
