

Receiving care outside of New England

Harvard Pilgrim's PPO plans* feature Harvard Pilgrim's broad network of providers in New England, and UnitedHealthcare's extensive network of providers in other states across the nation.

We recognize that providers throughout the country see members of many insurance plans and that some offices may not be familiar with your ID card.

You may find it helpful to bring this document when you visit a participating UnitedHealthcare provider or facility for the first time as a Harvard Pilgrim member.

Please show the back of this document to participating UnitedHealthcare providers outside of Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island and Vermont.

* Some PPO plans are underwritten by HPHC Insurance Company.
