

## Pharmacy at your fingertips

**OptumRx.com and the OptumRx mobile app** are fast, easy and secure ways to get the information you need to make the most of your pharmacy benefit.

## Digital tools designed for today's lifestyle

The OptumRx website and mobile app ensure you have the tools and information to actively engage in personal health care and medication management. Intuitively designed digital tools help members easily find health care information.

Go online or use the mobile app to:

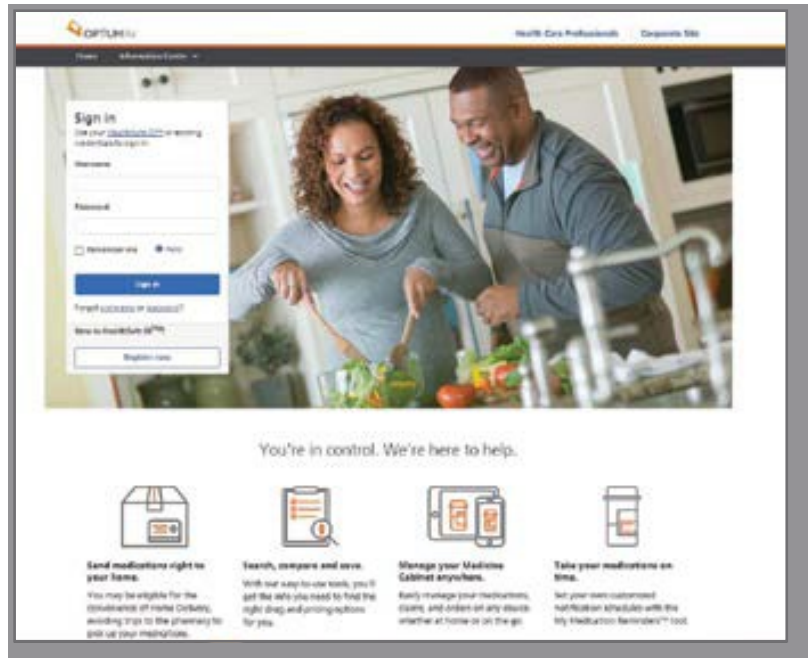

- Access a complete profile of your medications and prescription history for all family members
- Set up home delivery, then fill, transfer or renew prescriptions
- Set up helpful reminders to take your medication or refill/renew a prescription
- View medication costs, find lower-cost medications to save on out-of-pocket expenses
- Review claims, benefit information and deductibles
- Prevent delays, release holds and start prior authorizations without contacting your doctor
- Locate the nearest in-network pharmacy

Setting up an online account is easy. Just create an account on the OptumRx website following the instructions on the next page. Then download the mobile app and access your pharmacy benefits and prescription information from anywhere, anytime.

## Easily log in to the OptumRx website\*

Log in using your user name and password or enroll online:

1. Visit **OptumRx.com**
2. Select **Register Now** to set up your account\*
3. Use information from your member ID card to register
4. Set up your profile

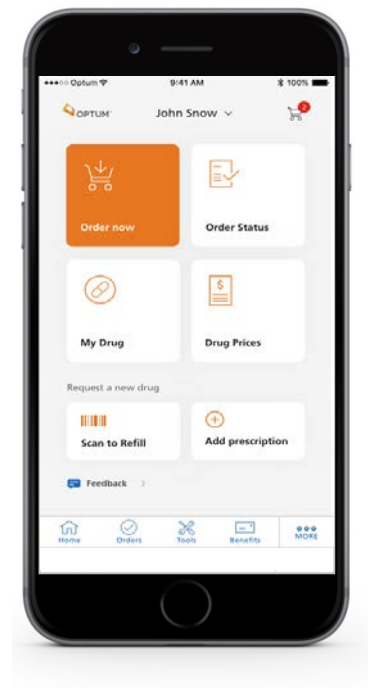

## Manage your orders while on the go with our mobile app

Access your pharmacy benefit and manage your prescriptions with the OptumRx app.

### To set up your mobile app:

1. From your mobile device, download the **OptumRx app** from the Apple® App Store or Google Play™
2. Open the app and register your account
3. Use information from your member ID card to register\*
4. Set up your profile
5. You can also set up:
  - Home Delivery
  - Medication reminders

\*Once created, your login information can be used to access your account on both the mobile app and website
